# Complaints

## 1. Introduction

The primary purpose of the Complaints procedure is to provide a process for dealing with complaints relating to the behaviour of, or activities and decisions taken by, the church's staff, charity trustees or volunteers.

Please note that there is a separate complaints procedure for complaints about nationally accredited Baptist Minister, Baptist Minister in training, Nationally Accredited Baptist Church Worker, or Nationally Recognised Baptist Pastor and this will be provided on request.

You can find out if someone is a nationally accredited Baptist Minister by looking them up on the directory of nationally accredited Baptist Ministers.

## 2. General Principles

Wherever possible the Church would prefer to follow Scriptural principles of reconciling differences. However on occasion attempts to resolve an issue informally may fail or not be appropriate. A formal complaints process is available for such cases.

## 3. Can I make a complaint?

Yes. You do not have to be a member of the Church to make a complaint. If you believe you have reasonable grounds to make a complaint and you cannot resolve the issue informally or believe it would not be appropriate to do so, you can make a complaint.

## 4. What kind of complaint can I make using this procedure?

You can make a complaint about :

The services the church provides.

- For example, toddler groups, foodbanks, baptisms, weddings and funerals. Poor service might include dirty facilities or trustees failing to carry out fire extinguisher tests or other health & safety requirements.

The behaviour of a church employee, trustee or volunteer that has affected you or someone for whom you are responsible.

- For example, inappropriate language or behaviour; persistent late payment of bills; sexual harassment or unlawful discrimination.

The application of church policies and procedures, or decisions made by the church that affect you or someone for whom you are responsible.

- For example, the church withdrawing financial support for a community group.

You should report any Safeguarding concern to the church's Safeguarding Officers.

## 5. What kind of complaints are not suitable for this procedure?

## Complaints Policy

Safeguarding concerns relating to child or adult protection.

- Any Safeguarding concern should be reported to the church's Safeguarding Officers following the church's Safeguarding procedure.

A complaint about the conduct or service of an accredited Baptist Minister, Baptist Minister in training, Nationally Accredited Baptist Church Worker, or Nationally Recognised Baptist Pastor.

- This should be made following the procedure for accredited Baptist church workers.

An employment grievance.

- The church has a staff grievance procedure referenced in the employees contract of employment. Employment-related grievances should be dealt with in accordance with that procedure.

### **6. How do I make a complaint and how will the church deal with it?**

You should submit your complaint in writing using the church's complaint form (see Appendix

1). On receipt of your complaint, the church, acting through one of its charity trustees will:

- Acknowledge your complaint and tell you who will review it within 7 days of receipt;
- Within 14 days, begin the review, contacting you for further information if needed; finding out what happened, and who was involved, and if necessary, interviewing people involved;
- Inform the person who is the subject of the complaint about the nature of the complaint unless this would seriously prejudice the review;
- Recommend what remedial action, if any, should be taken, giving reasons;
- Write to you informing you of the outcome of the review.

The church may, on occasion, receive related complaints, or several people may make the same complaint. Depending upon the nature of the complaint and when each complaint is received, the Trustees may decide to consolidate the review or to deal with the earliest complaint first.

The more complex the complaint is the longer it may take the church to respond. This is especially likely if the complaint relates to historic matters or several people need to be interviewed. Please understand that if the Police investigate the person who is the subject of the complaint in relation to the same or related matters, the church may not be able to begin or complete the review until the Police have completed their investigations.

Please be aware that the church may decide it is under a duty to report the matter to statutory authorities or The Charity Commission. If this is the case, the church will write to tell you this.

The church will treat the facts and content of your complaint carefully and in line with the church's data protection policy. However on occasion the church may need to make a public statement about the subject matter of the complaint, report it to statutory authorities or seek professional advice, and consequently the church cannot guarantee to keep your complaint confidential. You should maintain reasonable confidentiality as to the content and nature of your complaint, other than to seek professional advice if required. Once you have submitted your complaint, you should avoid communicating with the person complained about.

## Complaints Policy

### **7. What if I am not happy with the way the Church deals with my complaint?**

You should write to the church trustees stating that you want to appeal and the grounds for your appeal. The church trustees will consult with the church leadership to determine if another member of the leadership team or the independent Association Regional Minister can review your appeal, and if so, how long it will take that person to review your appeal. If the church is unable to allocate someone to review your appeal the church trustees will let you know and advise you instead to consider contacting the Charity Commission.

An appeal should not include new evidence, unless you could not with reasonable diligence have provided that evidence when you first complained.

If you are unhappy with how the church deals with your complaint, you may choose to contact the Charity Commission, the regulator of charities.

### **8. Vexatious Complaints**

If the church concludes that your complaint is vexatious and you are a church member, the church may consider exercising church discipline. If you are not a church member the church may not answer any further complaints you make.
